

## Project Update: September 2016

I am happy to share you that I just completed two tasks, out of the four tasks of my project entitled *Awareness generation to mitigate human leopard conflict in Baitadi district of Nepal*. Completed tasks are as follows:

- Carry out three awareness workshops in three mostly affected sites.
- Conduction of school teaching to the students aged below 15 years in six different schools.

So I am sending my progress report with this mail. I attached herewith some of the photos of conducted programmes. Short descriptions of attached photos are as follows:

Teaching to students of grade 8 and 9 in Amchaura VDC, Baitadi

Students watching informative documentary.

School teaching at Bishalpur VDC, Baitadi

Distribution of geometry box and other educational materials to the students of Pancheshor VDC

Formation of eco club and commitment of students for actively taking part in conservation activities in future
