

## Project Update: March 2017

1. Sent application to Kerala Forest Department for obtaining research permission.
2. Started purchasing and stocking up the necessary equipment and consumables for the field study.
3. Between 10th and 12th March 2017, attended the 4th Indian Biodiversity Congress held at Pondicherry, India, where I presented the community education work conducted as part of the Rufford Project. It was well received. A few images of my talk are attached
4. Sent my confirmation for participating in the Rufford conference to be held in Rajasthan (April 23<sup>rd</sup> – 26<sup>th</sup> 2017) and preparing for the same.
