## Project Update: August 2017

I'm happy to inform you that San Francisco-based Wildlife Conservation Network shared the information about my rusty-spotted cat project on their social media page

Please check the link below:

https://www.facebook.com/wildnet/photos/pb.55252575514.-2207520000.1500791789./10159194322780515/?type=3&theater

I have been invited as a guest speaker to the first international small wild cat summit at Port Lympne, UK (September 11th-15<sup>th</sup> 2017) followed by the Jackson Hole Wildlife Film Festival in Wyoming, USA (September 23rd-29<sup>th</sup> 2017). All my transportation and accommodation costs are funded by Small Wild Cat Conservation Foundation and the Wildlife Conservation Network.
