

Project Update: July 2018

I am happy to inform you that our first Roadkill Prevention Unit is placed in the field. Now the system is on trial run. If things are perfect as expected, next week or so we will inaugurate our system in presence of forest officials, media and others. I am attaching few pictures regarding this, I will send a report and more pictures and videos once implementation process gets over.

Our work has been reported in local Tamil newspaper Dinakaran DailyHunt - <https://m.dailyhunt.in/news/india/tamil/dinakaran-epaper-karan/sathyamangalam+mettupalaiyam+salaiyil+vanavilangukal+baliyavathai+ta+dukka+senchar+siknal+karuvi+yanai+vanthal+sivappu+vilakku+eriyum-newsid-92170444?ss=wsp&s=a>
