

Project Update: February 2019

My poster presentation recently in Owl festival 2019 organized at Jalapa, Khotang, Nepal. Friends of Nature, an NGO is organizing this event every year.

I have shared overall scenario of butterfly research and conservation in Nepal along with activities done in Rara National Park regarding butterfly research and conservation. The logo of the Rufford Foundation was used in Poster. More than 2000 people were benefitted from this presentation.

Workshop on butterfly research and conservation activities done in Suryabinayak Municipality and Rara National park recently organized on the occasion of World Wildlife Day 2019.
