**Abstract Title: Taking the conservation buzz beyond research: Involving local farmers for habitat restoration and monitoring of non-Apis bees in Doon valley, India**

**SubmissionIdentifier: ABSTRACT SUBMISSION-2542**

Dear Preeti Virkar,

Thank you for submitting an abstract for the International Congress for Conservation Biology (ICCB), to be held in Kuala Lumpur, Malaysia from 21 July to 25 July 2019.

On behalf of the ICCB Scientific Programme Committee, we would like to express our gratitude for the submission of your abstract for ICCB 2019. There were more than 1350 submitted abstracts.

We are happy to inform you that your abstract titled **'Taking the conservation buzz beyond research: Involving local farmers for habitat restoration and monitoring of non-Apis bees in Doon valley, India'** was **accepted** as a **SPEED Talk**.

Please note that the date and time of your presentation will be sent in late-April.

**Please keep this email for future reference, as it contains important information on your abstract planning.**

Please note that the submitting author needs to register to the congress in order to hold the session. We kindly invite you to do so before **8 May 2019** in order to confirm your session. All speakers need to be registered in order to present. The deadline for the early registration is 17 April 2019. After this date the registration fee will increase significantly. Registration will open in late-February. Information can be found on the [congress website](#).

For residents from some countries a visa is required for Malaysia. Please start the process to obtain a visa as soon as possible, and do not hesitate to contact us personally if you encounter any difficulty. For questions regarding visas or your registration, you may contact us at: [ICCBteam@conbio.org](mailto:ICCBteam@conbio.org).

If you have any questions, related to the contributed session abstract submission process or ICCB, please contact [ICCBteam@conbio.org](mailto:ICCBteam@conbio.org) and your message will be route to the appropriate person.

On behalf of Society for Conservation Biology and the ICCB Scientific Programme Committee, we thank you again for your valuable contribution.

Sincerely yours,

5/30/2019
