

Project Update: February 2011

We are pleased to send you the 2010 Lion Guardians Annual Report. We have had an incredible year, and have expanded our lion monitoring and community work south of Amboseli National Park. There are currently 29 Lion Guardians monitoring lions and mitigating carnivore conflict in their communities.

Please follow this link to the report: <http://www.livingwithlions.org/AnnualReports/2010-LionGuardians-Annual-Report.pdf>
